

# REBUILDING LIVES CAMPAIGN

The **REBUILDING LIVES CAMPAIGN** is about helping refugee families rebuild their lives. They have lost everything...except their tenacity to defy the odds and start over in a new country. Through your generosity, you help

refugees be welcomed to Nashville and have a much brighter future. Your gift will give Nations Ministry Center a home for many years to come. For over a decade, we've officed in eight different locations. It's time we have a home to serve

those who are rebuilding their lives. Your generosity will give us a space to welcome families, to plan enriching learning opportunities for young minds, and to inspire families to dream of better futures through better jobs.

## PARTNER WITH US

You can change futures today through a generous building campaign gift to Nations Ministry Center!

Nations Ministry Center serves refugee families that settle here in Nashville from countries all over the world. We provide opportunities for job training and coaching, education enrichment and family services.

You **create** a permanent home for Nations Ministry Center's life-changing programs for refugee families. Refugee families will always know they are welcome in Nashville. They will know where to come for services that help them become generationally self-sufficient.

### CAMPAIGN IMPACT

You **save** Nations Ministry expensive future office rent so more funds can be invested in the future self-sufficiency of refugee families.

You **provide** much-needed private office space so refugees will feel comfortable discussing their personal circumstances.

You **give** English instruction, job training, and much-needed storage space—all to better the lives of refugee families.

## EDUCATION

Every child deserves a chance at the best future possible.

They deserve a chance to learn to read and become a lifelong learner. You want that for your children. And we know you want that for every refugee child. Every child deserves the opportunity to have a place where they can learn, are loved, and feel safe. That's what you do for refugee children when you join the **REBUILDING LIVES CAMPAIGN**. You prevent generational poverty and ignite bright futures for refugee children.

You provide this hope to almost 100 children through your generosity to Nations Ministry. There isn't any better feeling than knowing you have changed the course of a child's life.
